Copies of the U.S. Harmonized Tariff Schedule (HTSUSA), which incorporates the international Harmonized System in its overall structure, can be accessed in several ways. A copy of the HTSUSA can be downloaded in compressed form (self-extracting files) at the USITC's World Wide Web (WWW) site on the following page (URL): <http://www.usitc.gov/taffairs.htm>. An on-line readable and searchable copy of the HTSUSA can be found at the U.S. Customs Service's WWW site, on the following page (URL): <http://www.customs.ustreas.gov/imp-exp/rulings/harmoniz/>. Hard copies and

electronic copies of the HTSUSA can be found at many of the 1,400 federal Depository Libraries located throughout the United States and its territories; further information about these locations can be found on the WWW at the following location (URL): [http://www.access.gpo.gov/su-docs/dips/ad\[ps001.html](http://www.access.gpo.gov/su-docs/dips/ad[ps001.html), or by contacting GPO Access at the Government Printing Office, 1-888-293-6498.

This proposal is part of a comprehensive review of the international HS being carried out by the RSC. Its implementation internationally would not necessarily require that any specific domestic tariff rates or statistical coverage be eliminated completely from the Harmonized Tariff Schedule of the United States Annotated (HTSUSA). Any such consequential changes would be separately considered by the Commission at a later date, pursuant to section 1205 of the 1988 Act.

Request for Proposals

The Commission is seeking comments on the list of proposed deletions from the HS and, in particular, on those categories for which the United States may request retention. *No proposals for changes to the Explanatory Notes or national-level provisions (including Additional U.S. Notes, U.S. 8-digit subheadings, statistical annotations and rates of duty) will be considered by the Commission as a part of this review.* Interested parties, associations and government agencies should submit specific HS category numbers from the above list which they feel should be retained in the HS and, for each category, the reason for retaining the category in the international system (including, where relevant, trade data).

Deadline

Suggestions must be received no later than the close of business, June 20, 1997, in order to be considered by the Commission.

Written Submissions

All submissions should be addressed to the Secretary, United States International Trade Commission, 500 E St., S.W., Washington, D.C. 20436. Commercial or financial information that a party desires the Commission to treat as confidential must be submitted on separate sheets of paper, each clearly marked "Confidential Business Information" at the top. All submissions requesting confidential treatment must conform with the requirements of section 201.6 of the Commission's Rules of Practice and Procedure (19 CFR

201.6). All written submissions, except for confidential business information, will be made available for inspection by interested persons.

TDD Access: Hearing impaired individuals are advised that information on this matter can be obtained by contacting our TDD terminal on (202) 205-1810.

World Wide Web Access: This notice, and any subsequent notices published pursuant to section 1210 of the 1988 Act, may be obtained from the ITC Internet web server: <http://www.usitc.gov>.

Issued: May 22, 1997.

By order of the Commission.

Donna R. Koehnke,

Secretary.

DEPARTMENT OF LABOR

Employment and Training Administration

[TA-W-33,190]

Allied Signal, Incorporated Parsippany, NJ; Notice of Affirmative Determination Regarding Application for Reconsideration

By letter of April 11, 1997, a company official requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance for workers of the subject firm. The denial notice was signed on April 4, 1997, and published in the **Federal Register** on May 2, 1997 (62 FR 24134).

The petitioner presents evidence that the Department's customer survey was incomplete.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, D.C. this 15th day of May 1997.

Russell T. Kile,

Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.
